

BIRT Report Viewer

BIRT Report Viewer

The screenshot shows the BIRT Report Viewer interface. At the top, it says "Showing page 1 of" followed by navigation arrows and a "Go to page:" input field. A "Parameter" dialog box is open, containing the following text and fields:

Parameters marked with * are required.

{ } Please select your institution below: *

Florida A&M University

{ } Please Enter the Begin Date in the format yyyy-mm-dd. Leave the 24:01 time as is: *

2008-04-01 24:01

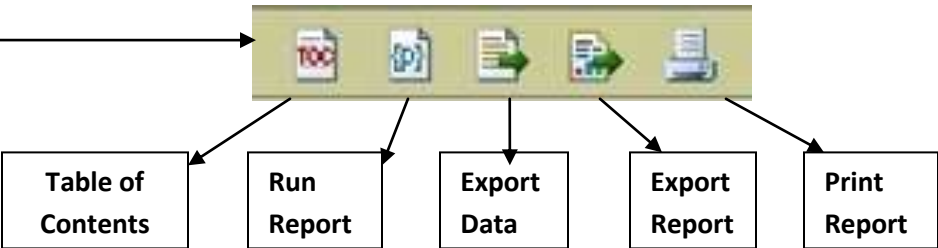

{ } Please enter the End Date in the format yyyy-mm-dd. Leave the 23:59 time as is: *

2008-04-30 23:59

OK Cancel

Page Numbering: If the output is more than one page, you have the option to jump to the next page, or go to a desired page.

Parameter Selection: Used to select parameters specific to the report. All reports will have the Institution selection. Other reports may have different selections such as sublibrary or date range.
